

# Recital Policies

- ★ All students are to arrive at the auditorium *at least 30-45 minutes* before show time. Older students should arrive even earlier to allow time for warming up and stretching. Please cover costumes when entering the auditorium before show time.
- ★ **One** mother or female guardian per young child is allowed to stay in the dressing room with their child during the show.
- ★ If you plan on being backstage with your child for the **entire recital**, you **do not** need to purchase a ticket. There will be assigned seating for chaperones to come out and watch their child's dances. This seating is for **your child's dances ONLY**, not for the whole show.
- ★ If you do not want to stay backstage for the whole show, you need to purchase a ticket. There will be teen students assigned to each young group in the dressing rooms during the performances.
- ★ **Men, other family members and friends are not allowed into the dressing rooms during show time or intermission.**
- ★ When not performing, students will remain in the dressing rooms throughout the entire show, *even during intermission*. **No students will be allowed into the audience.**
- ★ **Dancers: PLEASE DO NOT WEAR UNDERWEAR UNDER TIGHTS!**
- ★ Try to arrive in full make up and with hair done as directed.
- ★ **NO VIDEOTAPING OR PHOTOGRAPHY! NO EXCEPTIONS!** *PLEASE* respect this policy and leave the video cameras at home. The recital is being taped professionally. You may order DVDs in advance or at the performance. **Any cameras found being used in the auditorium will be confiscated until after the performance.**
- ★ After the finale, all students will go directly to their dressing rooms, where they may then be picked up. Before leaving, please check that you have everything that you arrived with and that you have cleaned up after yourselves.
